

SILVIAN HEACH  
*Kids*  
Heach $\heartsuit$ dolls

Colorata, divertente e giocosa, la nuova collezione Silvian Heach Kids illumina la stagione fredda puntando a grafiche nuove e soluzioni stilistiche innovative per rendere ogni momento della giornata pieno di allegria. Per le bimbe, il mondo dei cartoon la fa da padrone, arricchendo gli outfit di colori accesi e vivaci, partendo dai piumini, grande must have della FW 15-16.

Felpa full zip, t-shirt e pantaloni morbidi si affiancano ad abiti in punto milano nero e gonne in neoprene dalle tonalità a contrasto. Grafiche, strass e inserti in rilievo connotano ogni capo per renderlo volutamente sopra le righe mentre completano i look gli zainetti, un accessorio cult della nuova stagione.

Per le piccole dal carattere deciso, Silvian Heach Kids dedica loro alcuni modelli di ispirazione Hipster, rivisitati in chiave contemporanea. Gonne in stile college in fresco lana, zip a vista e borchiette smaltate arricchite da sottogonne in tulle staccabile si sposano perfettamente con chiodi in ecopelle nera. Pullover asimmetrici con lavorazione jacquard, camicia madras e leggings total black conferiscono al look un'allure d'impatto, mentre i lupetti in jersey di viscosa con bordo in pizzo e gonna micro plissé in tessuto spalmato aggiungono un tocco di dolcezza all'outfit. Il look hipster diventa più glamour nella proposta con gonna lunga plissé, camicia in denim annodata e giubbino in pelle.

Intramontabile per la FW 15-16 lo stile college che il brand interpreta, conferendo più carattere alle proposte. La gonna in fresco lana, con richiamo al classico kilt, abbinata alla felpa girocollo con stampa crea un look ispirato alle divise dei college londinesi. Vero must-have è la salopette in fresco lana, nella variante gonna o pantalone, da abbinare a camicia bianca in popeline. Il capospalla reversibile proposto nella versione lunga con cappuccio staccabile nel modello bomber, nei toni del verde malachite da un lato e all-over di stelle dall'altro, completa il look e rende questo mood pratico e divertente.

Per affrontare al meglio la prossima stagione fredda la collezione aggiunge un tema ispirato alla magica atmosfera invernale con romantici maxipull in maglia lavorati a treccia proposti nelle tonalità calde del prugna e in fantasie che richiamano i colori del bosco o cardigan asimmetrici in maglia bouclé. Immancabili per questo mood le pellicce eco, coloratissime e divertenti: il modello bomber color arancio viene sdrammatizzato da un look total denim o la versione più lunga in turchese è perfetta per essere abbinata a gonne o abitini.

A chiusura delle proposte per la bimba, un mood romantico dedicato alle occasioni speciali. I colori si fanno tenui come il panna e il celeste, ravvivati da tocchi di luce color oro e argento o da applicazioni gioiello, strass e glitter. Il look è completato da calde e romantiche eco-pellicce e da capispalla dalle linee importanti come il cappotto in panno, impreziosito da collo in pelliccia staccabile e spille gioiello.

## COLLECTION FALL WINTER 2015/16

Colorful and fun, the new Silvian Heach Kids collection illuminates the winter season through new graphics and innovative stylistic solutions to make every day moment full of joy. The world of cartoons is one of the main themes of this collection. In this first mood colors are bright, starting from down jackets, the real must-have for FW15-16 season.

Full zip sweatshirts, t-shirts and soft pants are mixed with black dresses and neoprene skirts. Graphics, strass and inserts characterize each item to make it over the top, while backpacks, the cult accessory for the new season, complete the look. For all the little but determined girls, Silvian Heach Kids creates a Hipster look, updated in a contemporary way. Woolen college style skirts, zip and studs enriched by tulle underskirts, perfectly match with black leather jacket. Jacquard asymmetric pullover, madras shirt and total black leggings give to the look a strong impression, while jersey polo neck and micro plissé skirt give to the look a soft touch. The hipster mood becomes glamorous thanks to the long plissé skirt, denim shirt and leather jacket.

Another basic theme for the next FW 15-16 season is the college style. The woolen skirt that reminds to the classic kilt, combined with crew-neck sweatshirt creates a look inspired by Londoners college uniforms. A must-have is light woolen overalls, available both in skirt or trousers model, to be combined with white poplin shirt. In order to make the look practical and fun, the reversible outerwear is proposed in the long version with detachable hood or as bomber jacket, green on one side and stars patterned on the other.

To face the winter season in the best way, the collection adds a theme inspired by the magical winter atmosphere with romantic knitted maxipull in purple tones and patterns that remind to the wood shades, or asymmetrical bouclé cardigan. Colorful and fun eco-fur complete this mood: the orange bomber model matches with a denim total look, while the longer version in light blue is perfect to be combined with skirts or dresses. A romantic mood dedicated to special occasions completes the proposal for girls. Colors are soft as cream and light blue with gold or silver touches and jewelry applications, strass and glitter. The look is completed by warm and romantic eco-fur and cloth coat, embellished with detachable fur collar and jewelry pins.
