“Il futuro ha radici antiche”

“Future has ancient roots”

Ernst Schuch

L'azienda nasce nel 1964 a Urbisaglia (MC), con il marchio URBIS, creato dal fondatore **Eugenio Tombolini** che con grande intuito riesce a creare una realtà solida ed internazionale in un microcosmo dell'entroterra marchigiano, nel rispetto della memoria popolare e dell'innovazione tecnologica. Nel 1987, le redini dell'azienda passano nella mani della figlia Fiorella. Nel 1996 nasce il marchio **TOMBOLINI** a sancire il rinnovamento strategico e di prodotto portato avanti dal nuovo management. Oggi TOMBOLINI è cuore, passione, capacità manifatturiera, esclusivo **Made in Italy**. Cinquant'anni di tradizione sanno interpretare al tempo stesso lo stile per l'uomo moderno, la classe e la qualità per il businessman, il valore come carattere fondamentale del lusso.

and sinking in this sea is sweet to me.”*
